“ Recently sold a house with Rowlinsons Solicitors and they made the whole process so easy. The app is so easy to use and the communication was excellent. ”

“ We used Rowlinsons for our house sale and new purchase. Using the app is a great way to keep in touch and upload documents. ”

“ We were kept up to date at every stage. Very useful to have the secure app for messaging. ”

**The Rowlinsons mobile conveyancing app has been specifically designed to improve the client experience for property buyers and sellers who instruct our firm.**

The app allows you to access key documents and information on your transaction and check on progress 24/7 by linking directly into our internal systems. You are also able to receive letters and messages instantly and electronically sign and return any documents, all through the app.

Not only can clients expect improved communication throughout the process, the app can speed up the progress of transactions and eliminate needless delays waiting for documents to be sent and returned. The app is available to download to either an Apple or Android mobile device.
